

## A WEEK TRIP TO LONDON WITH OUR HIGH SCHOOL STUDENTS

We have enjoyed of a lovely week trip to London, taking in the major sights and visiting the most famous London attractions.

We have explored London's multicultural busy streets, green parks and some museums which have made us discover hundreds of years of fascinating history.

It's been the first time we've stayed with host families in Ealing district. Certainly, it has offered us an up-close knowledge of the English culture.

All in all, it has been an exciting and unforgettable experience!!!!
