

Treball realitzat a 1rB eso:

SAVE THEM!

WHY?

Most of our pupils (almost all of them) don't know the country where they live and where most of them have born.

GENERAL OBJECTIVES

- To acquire knowledge about Catalonia's relief, climate and landscape
- To sensitize students to the need to preserve our natural heritage
- To develop a presentation about one endangered species from a Catalonia's Natural Park.

To acquire more fluency and correctness in English language (reading, writing, speaking)

Treball realitzat a 1rA eso:

WORLD LANDSCAPES

World landscapes are related to relief and climate. We want to know more!

Learning objectives: (content and language)

- Enforcement of knowledge about Earth's climates (Equatorial, Tropical, Desert, Mediterranean, Oceanic, Continental, Polar, High Mountain): range of temperatures, precipitation, rivers, landscapes
- Vocabulary about climates: nouns: (*flood, forest, savannah, season...*); adjectives related to concepts like temperature, precipitation, flow). Examples: *Mild temperatures, scarce precipitation, low and irregular flow...*
- General sentences (present simple), verbs *to be* and *have*

Speaking fluency. Writing skills
